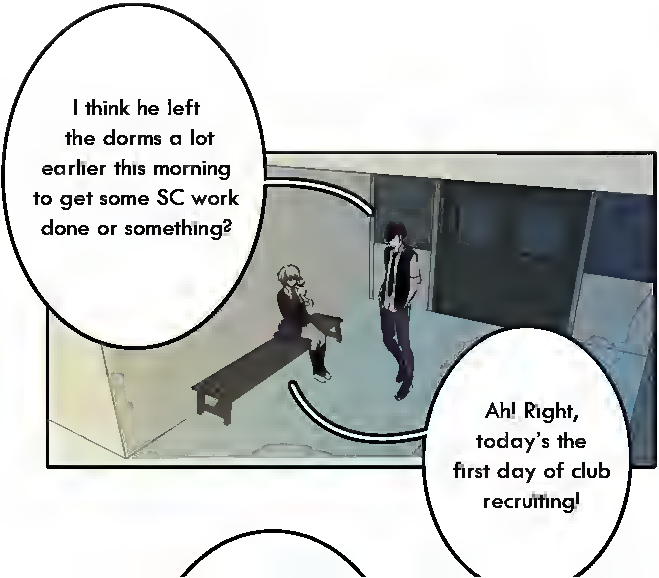
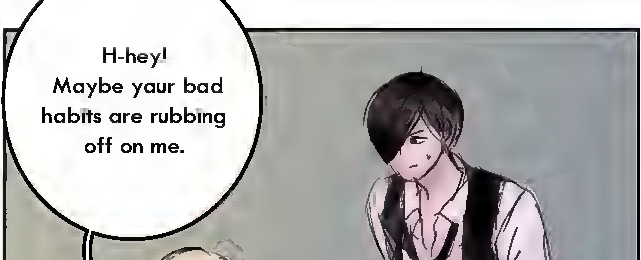
OPEN
The teocher mode me go to her office ofterwards

and lectured me, so that's why I was missing for a bit.

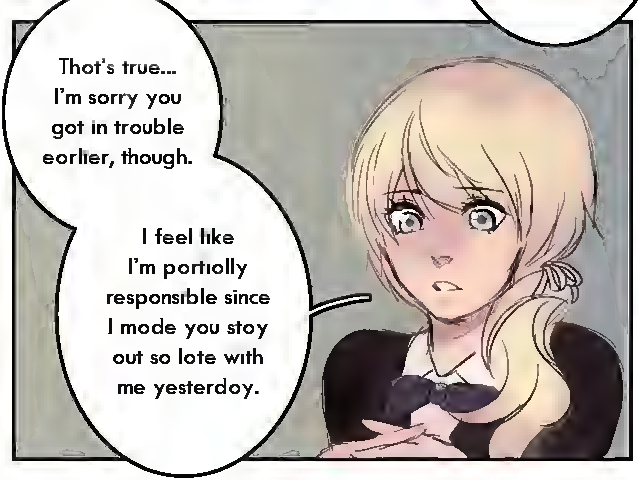


I think he left the dorms a lot earlier this morning to get some SC work done or something?
Ah! Right, today's the first day of club recruiting!

But actually... I ended up oversleeping too. I used SC duties as an excuse, so I was pardoned for being late.
Waw. Such a rale madel student.



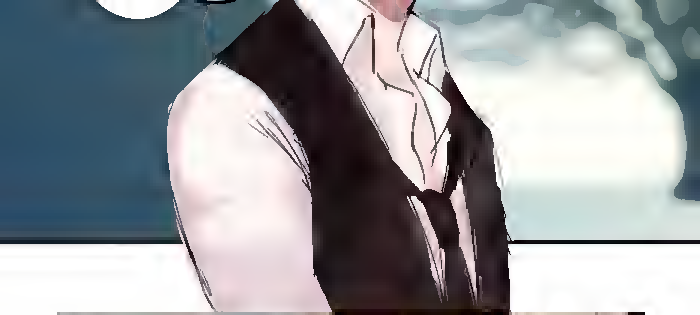
H-hey!
Maybe yaur bad habits are rubbing off on me.
Pfft
So now it's my fault? At least yau gat away with it.

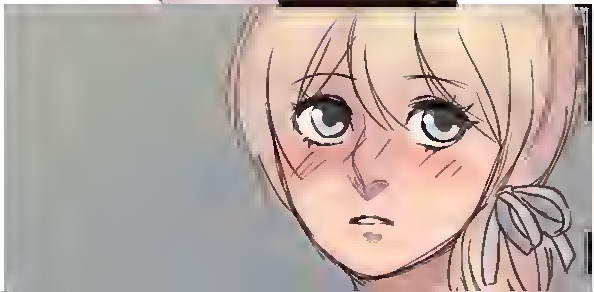


That's true... I'm sorry you got in trouble earlier, though.
I feel like I'm partially responsible since I made you stay out so late with me yesterday.

Nah,
don't worry
about it.

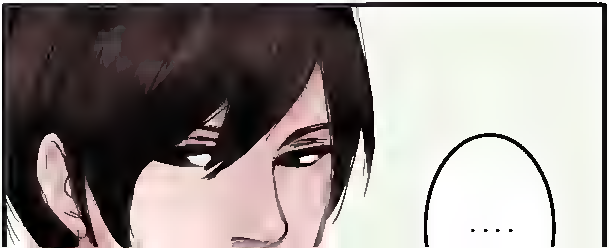
It was
worth it.





He was acting a little differently earlier, but I'm glad he's back ta his regular self naw.

What a relief, I thought I had done something wrong.

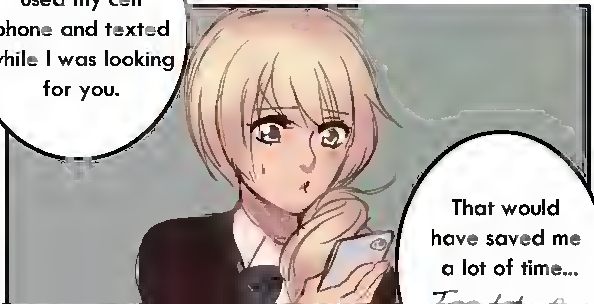


....

Gasp!
I just realized something!

Hm? What is it?

I could have used my cell phone and texted while I was looking for you.



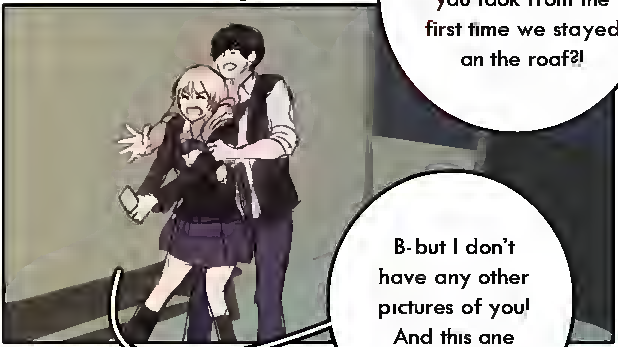
That would have saved me a lot of time...

too late for that now though.
Well, my phone is on silent right now, so I don't think it would have made a difference--

...Is that a screensaver of

my face?
BUSTED
N-no?

It is!
You still didn't delete that picture you took from the first time we stayed on the roof?!



B-but I don't have any other pictures of you! And this one looks nice!

It's *my* face, so I'm telling you to delete it!

No! It's my phone, so I'm keeping it!
Honestly... Why are you so troublesome?

Squeeze

...I think you look handsome in this picture. Like a prince.
"Prince"? Hardly.

I'm nothing close to one, but... Would you be happy *if I was* your "prince"?

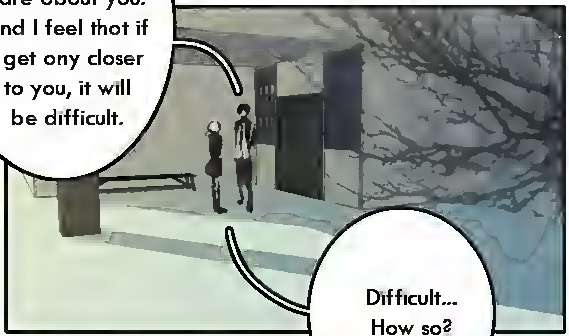
And...
How about
if I were your
"boyfriend"?

A-are you sure you'd want to be in that kind of relationship w-with me?

I know I do...

I'm selfish, remember?

However... A lot of people care about you. And I feel that if I get any closer to you, it will be difficult.

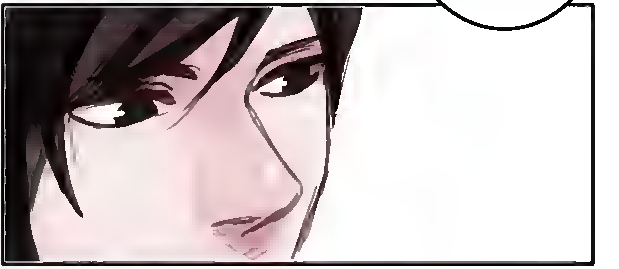


Difficult... How so?

The truth is that others don't perceive me the same as you do... A lot of people aren't going to approve of us being together.

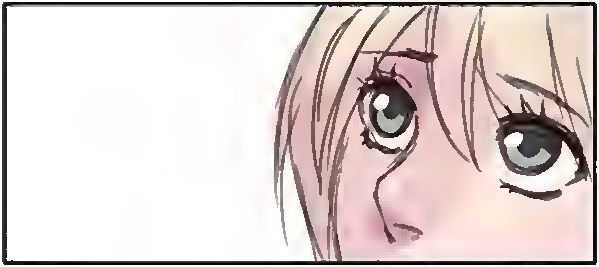
I want to be

with you, but at the same time, I don't want to take away what's best for you..



Do you

trust me?



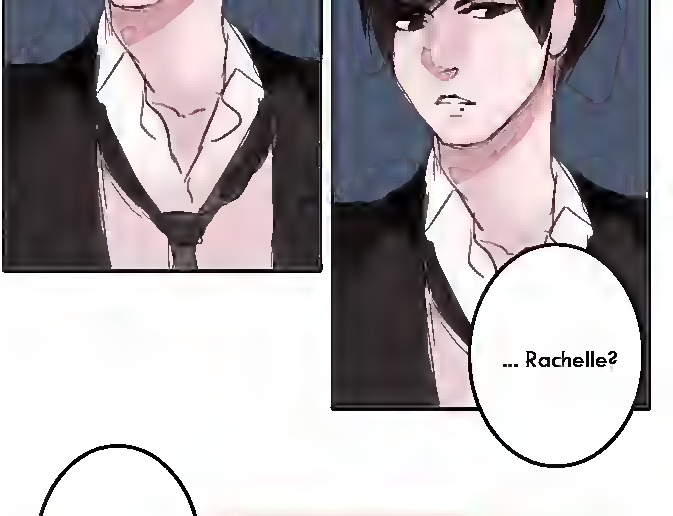
Of course
I do...

Then...
Is it alright if we keep our relationship a secret from everyone else?

Throb

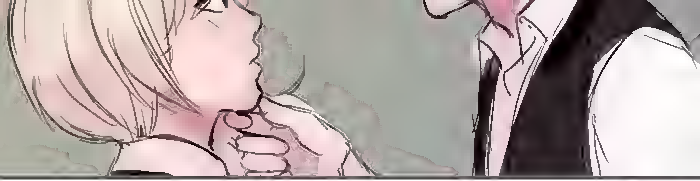
A secret...
Y-yeah, sure...
That's okay.

Just far now, at least. I--

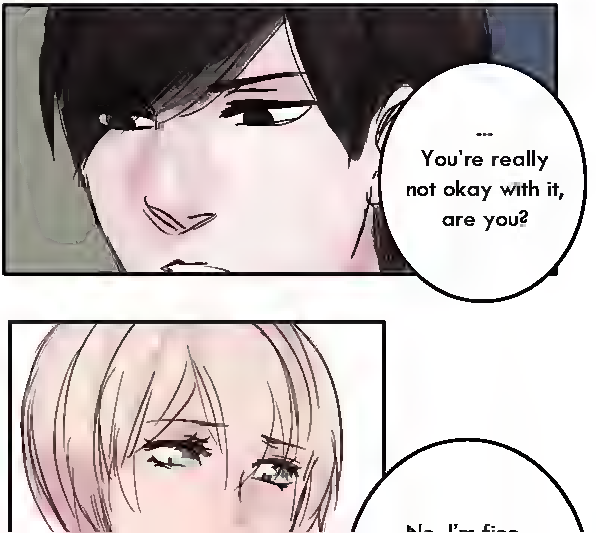


... Rachelle?
Y-yeah...?

Rachelle,
look at me.



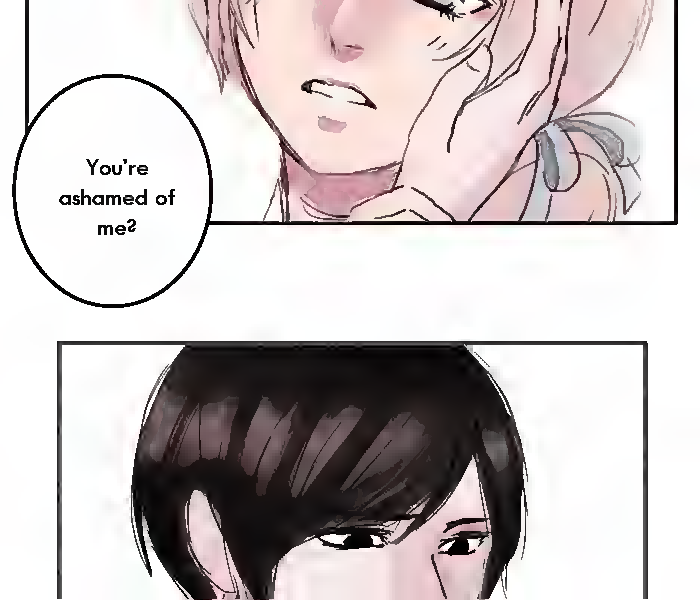
Hm..?



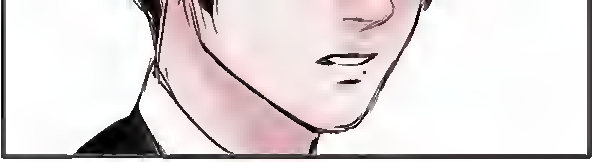
...
You're really not okay with it, are you?
No, I'm fine.

No, I'm fine...
I-I'm probably just misunderstanding things again...
It's okay.
Hurting you is the last thing I'd want... So please..?

I-Is it because...

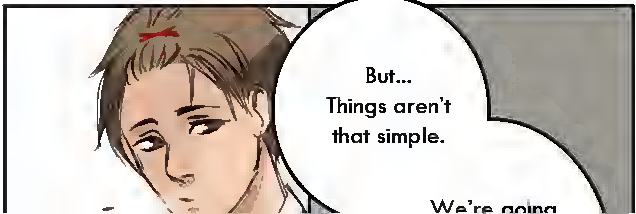


You're ashamed of me?



Of course that's not true.

If I cauld, I'd make it clear ta everyane that you're mine.

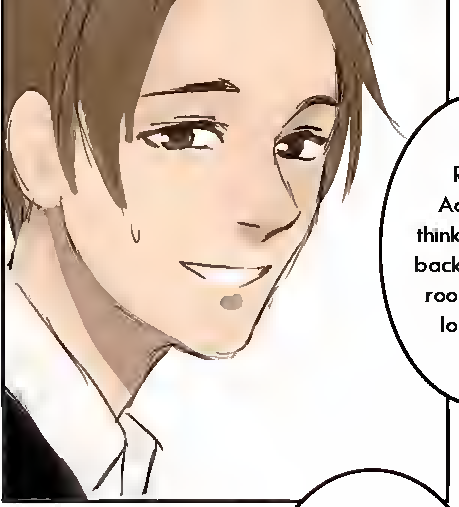


to have to hold off on letting anyone else know about us.
S-so I can't even tell Roscoe? Or the rest of my friends in the SC?
. . .

... I think it's for the better that they don't know. We'll have to tell them when the time is right.

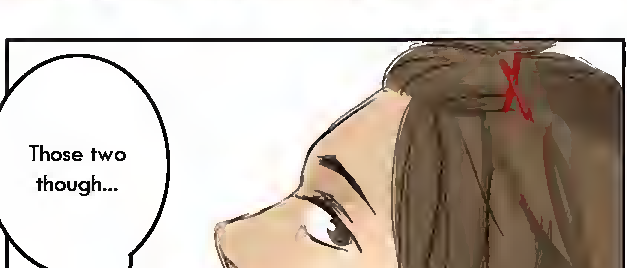
I see...

Hey, Harue. Have you seen Rachelle? Do you know if she's still hanging up posters?

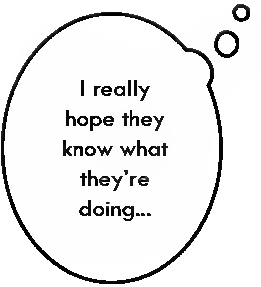


Roschii!
Actually, I think I saw her back at the SC room not too long ago!
Alrighty. Let's turn

I know where the SC room is. Stop touching me.
around! This way, this way~



Those two
though...



I really hope they know what they're doing...
